GOVERNMENT OF ASSAM

ORDERS BY THE GOVERNOR

MEDICAL EDUCATION & RESEARCH DEPARTMENT

NOTIFICATION

The 13th September, 2024

No. MER. 216833/69.- The following operational guidelines for convergence of Atal Amrit Abhiyan (AAA) and Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) are hereby notified.

OPERATIONAL GUIDELINES

Convergence of Atal Amrit Abhiyan (AAA) and Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB-PMJAY)

1) Introduction:

Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) is a health assurance scheme under the Central Government where families identified as per National Food Security Act (NFSA) can avail cashless treatment upto Rs.5.00 lakhs per family per year in the empanelled hospitals. In Assam, approximately 30 lakh families will avail cashless medical benefits under AB-PMJAY.

Atal Amrit Abhiyan (AAA) is a health assurance scheme under the State where poor and vulnerable individuals whose family income is less than Rs.5.0 lacs per annum are entitled to cashless medical benefits upto Rs.2.0 lacs per annum for 12 defined tertiary and super specialties in the empanelled hospitals.

2) Purpose of AA-MMJAY and convergence with AB-PMJAY:

With a view to widen the scope of coverage of NFSA family database and with an aim to cater to the maximum population of the State under Universal Health Coverage, the State has decided to launch Ayushman Asom-Mukhya Mantri Jan

Arogya Yojana (AA-MMJAY) for catering cashless medical treatment in the lines of AB-PMJAY to the left out families who are not covered under AB-PMJAY. The State has further decided to consider the database of National Food Security Act (NFSA) consisting of 66,25,917 NFSA families registered in Assam as on 31st July, 2024 as a single mother database for availing the benefits of AB-PMJAY and AA-MMJAY. Consideration of the NFSA as mother database will also ensure inclusion of poor and vulnerable families covered under AAA in AA-MMJAY. Therefore, AAA is being discontinued to avoid duplicity of beneficiaries.

3) Guidelines of convergence of AA-MMJAY & AB-PMJAY:

Following will be the guidelines for convergence of AA-MMJAY and AB-PMJAY:

- a) 66,25,917 families registered in Assam as on 31st July, 2024 in the National Food Security Act (NFSA) database will be considered as a single mother database for the converged scheme.
- b) Out of 66,25,917 NFSA family database as on 31st July, 2024, 30,03,069 NFSA families will be considered to be under AB-PMJAY, the cost for cashless medical treatment of which will be continued to be borne by National Health Authority (NHA) and the State Government in the existing cost sharing ratio of 90:10 between Centre and State Government.
- c) The cost for cashless medical treatment of balance 36,22,848 National Food Security Act (NFSA) families as on 31st July, 2024 will be borne by the State at AB-PMJAY medical procedure rates. These 36,22,848 families will be entitled for AB-PMJAY cashless benefits. The name of the Scheme under which 36,22,848 NFSA families are proposed to be entitled to AB-PMJAY benefits from the State will be **"Ayushman Asom – Mukhya Mantri Jan Arogya Yojana"**(AA-MMJAY). AA-MMJAY will be administered and implemented by Atal Amrit Abhiyan Society under Department of Medical Education & Research.
- d) Further enrolment under AAA will be discontinued and AAA will cease to be operational w.e.f. 31st October, 2023.
- e) All pre-authorizations/claims under AAA raised by the AAA empanelled hospitals prior to 31st October, 2023 will be processed for payments as per the guidelines of the Scheme. Pre-authorization and Claims raised by the AAA empanelled hospitals after 31st October, 2023 will not be considered for payments.
- f) Co-branded Ayushman Cards will be given to the beneficiaries of NFSA family database (66,25,917 NFSA families as on 31st July, 2024).
- g) NHA will bear the cost of making the co-branded cards of NFSA database families (66,25,917 NFSA families as on 31st July, 2024).
- h) Validation of NFSA family database and distribution of Ayushman Cards to the beneficiaries will be done by front line health workers either by house to house visits or by camp mode.

- i) All the 1949 medical and surgical procedures under Health Benefit Packages 2022 (HBP 2022) of AB-PMJAY will be available under the converged scheme for AB-PMJAY/AA-MMJAY empanelled Public Hospitals.
- j) Only 303 tertiary/super specialty medical and surgical procedures of Health Benefit Packages 2022 (HBP 2022) as mentioned in Annexure-I, taking the Atal Amrit Abhiyan (AAA) medical procedures as benchmark, will be reserved for AB-PMJAY/AA-MMJAY empanelled Private Hospitals under the converged scheme w.e.f 1st August, 2024.
- k) All AB-PMJAY/AA-MMJAY private empanelled hospitals may continue cashless treatment for patients/beneficiaries admitted prior to 1st August, 2024 for any empanelled medical procedure/ package and will be eligible for payment thereof; however private empanelled hospitals shall not be eligible for payment for treatment extended for any procedure and package other than the 303 mentioned in the Annexure – I, in respect of patients/beneficiaries admitted after 1st of August, 2024.
- l) All AB-PMJAY empanelled hospitals will extend cashless medical benefits to AA-MMJAY beneficiaries also.
- m) Beneficiaries of AA-MMJAY can avail cashless medical benefits outside the State in AB-PMJAY empanelled hospitals through the portability module of NHA.
- n) The NHA IT portal of AB-PMJAY along with the Transaction Management System (TMS) 2.0 and Hospital Empanelment Module (HEM) will be used for AA-MMJAY.
- o) Claims adjudication process of AB-PMJAY will be followed for AA-MMJAY for settling hospital claims.
- p) Empanelment of hospitals, audits, anti fraud measures, grievance redressal, constitution of different State level and District level Committees etc. and all existing guidelines of NHA will be applicable for the converged scheme.
- q) Government in Medical Education and Research Department will be empowered to make any suitable modifications in the guidelines and implementation activities of the converged scheme.

Encl: 303 tertiary/super specialty medical procedures reserved in AB-PMJAY private empanelled hospitals (Annexure-I).
